DENSO North America Foundation donates \$50,000 to American Red Cross for Hurricane Harvey relief efforts

-- Employees can contribute through DENSO donation site --

SOUTHFIELD, Mich. – The [DENSO North America Foundation](#) (DNAF) – the philanthropic arm of automotive technology, systems and components leader, [DENSO](#), will donate \$50,000 to the [American Red Cross](#), supporting efforts to recover from Hurricane Harvey’s devastating impact throughout the Gulf Coast region.

In addition to the foundation’s donation, DENSO associates, family and friends are encouraged to join the cause and donate to disaster relief efforts by visiting:

www.redcross.org/donate/cm/denso-emp

“The devastating damage that Hurricane Harvey has brought to the Gulf Coast requires individuals and companies to come together to provide their support,” said Doug Patton, DNAF president and executive vice president of Engineering at DENSO International America. “Our associates have expressed great concern for those impacted by the hurricane and this donation will go toward the effort to recover and re-build the region, with a hope for a bright future for generations to come.”

DENSO operates at 30 consolidated companies and affiliates across North America, including several inland locations across Texas and Mexico.

About the DENSO North America Foundation

A registered 501(c)3 corporate foundation, The DENSO North America Foundation is dedicated to helping students advance their education in engineering, technology and other related programs. Founded in 2001, the Foundation provides grants to colleges and universities throughout North America, helping our communities prosper through the development of a skilled and knowledgeable workforce. The Foundation also provides disaster relief grants through the American Red Cross to aid persons and communities in which DENSO Corporation operates.
